

Optelec ClearReader⁺

**For anyone experiencing sight loss
including those with Macular Degeneration.**

Rediscover the joys of reading anytime and anywhere with the Optelec ClearReader⁺, combining fast and reliable text-to-speech, a choice of high quality naturally sounding voices, and all in an attractive portable design.

Simply switch-on, scan your printed reading material and start listening in an instant.

Optelec
Life is worth enjoying

Choose the Optelec ClearReader⁺

Designed for everyday living

Imagine being able to listen to any kind of printed material within a matter of seconds, and all at the press of a button.

With the Optelec ClearReader⁺, accessing printed documents such as magazines, newspapers, books or a letter from a friend has never been easier.

Scan and listen

ClearReader⁺

For anyone experiencing sight loss

Use anytime, anywhere

Portable and battery powered, the Optelec ClearReader⁺ can be used around the home, on holiday, at school or at work, making it ideal for reading a recipe in the kitchen, a book in the library, today's newspaper in the garden or reviewing bills.

The Optelec ClearReader⁺ is easily adjusted to playback at a more comfortable reading speed and volume. You can even connect a separate set of headphones and listen discretely.

Add an optional Feature Pack

Whether you are blind or experience partial sight loss, expand the functionality of the Optelec ClearReader⁺ by connecting an optional **Feature Pack**.

Save and retrieve documents

With the small SD memory card pre-installed and the navigation control panel connected, you have the freedom to scan and save printed letters, books and magazines for reference at your convenience.

**View enlarged photographs
in full colour and read in
high contrast**

Monitor and keyboard not included

Magnification

Connect the Optelec ClearReader+ to a separate screen and simultaneously listen to and view documents 'in-sync' as they are read aloud and displayed in an easily recognisable typeface as if it were in large print. You can even use the magnification feature to enlarge handwritten notes and photographs.

The optional Feature Pack includes:

- Handheld navigation control panel
- Small SD memory card

1. Choose the Optelec ClearReader⁺
